

22 (newly added) The method of Claim 21, in which said member includes a first layer and a second layer, said formable material being disposed intermediate said first and second layers.

23 (newly added) The method of Claim 22, in which said formable material is a gel-like substance contained in at least one container disposed between said first and second layers.

REMARKS

Claims 21-23 are newly submitted to define applicant's inventive method in a different manner than in the originally submitted claims. The new claims are supported by the original specification. A check in the amount of \$27.00 is enclosed to cover the fee for the new claims, which brings the total number of claims now in the application in excess of 20 claims. The Commissioner is hereby authorized to charge any deficiency in the payment of the required fee to Deposit Account No. 501,174. A prompt and favorable action on all claims now in the application is respectfully solicited.

Respectfully submitted
